A NOTE FROM OUR DIRECTOR

AASCA Basketball Tournament
Pacific Division
October 18-22, 2023

Dear AASCA Basketball Teams,

It is with immense pleasure and pride that I, on behalf of Balboa Academy, extend a heartfelt welcome to all of you participating in the AASCA Basketball Tournament - Pacific Division. As the Director of the host school, it is an honor to host such a prestigious event that celebrates the spirit of competition, camaraderie, and sportsmanship.

We applaud your dedication and hard work that have brought you here today. It's not just about the wins and losses but the shared passion for the game that unites us. I encourage you to give your all on the court, demonstrate sportsmanship, and most importantly, have fun.

This tournament is a celebration of talent, teamwork, and the bonds that form through the love of the game. May your time here be filled with memorable moments, great plays, and new friendships.

As we embark on this exciting journey together, I wish each and every one of you the very best. Make this tournament an unforgettable chapter in your basketball journey.

Let the games begin, and let the spirit of competition unite us all!

Director, Balboa Academy

AASCA BASKETBALL GUIDELINES

AASCA Basketball Tournament
Pacific Division
October 18-22, 2023

SECTION 3: Rules and Regulations

The tournament will be managed by the AASCA regulations and the FIBA rules according to the following guidelines.

3.1. Number of Players and Playing Time

- Each team may register a maximum of 12 and a minimum of 8 players.
- Coaches are responsible for ensuring that every student plays a reasonable amount of time during the tournament.

3.2. Official Game Ball

- The games will be played with a leather or synthetic leather ball, approved by FIBA. The boys will play with a # 7 ball and the girls with # 6. The host school will inform the participants of the brand and model of the ball that will be used during the tournament at least **one month** prior to the event.

3.3. Courts and Locations

- Every effort should be made to obtain the best facilities possible.

3.4. Game Time

- The games will consist of four periods of ten minutes running time: the clock must be stopped on the last two minutes of the first and second period; and the last three minutes of the third and fourth period. Note: In the championship games, the clock will be stopped according to the FIBA Rules.
- Play Intervals will be distributed as follows:
 - Two minutes between the first and second period
 - Five minutes between the second and the third period
 - Two minutes between the third and fourth period
 - If the score is tied at the end of the playing time of the fourth period, the game will continue with as many extra periods of four minutes as necessary to break the tie. The fouls continue to accumulate.

AASCA BASKETBALL GUIDELINES

AASCA Basketball Tournament
Pacific Division
October 18-22, 2023

The game clock must be stopped:

- In case of an injured player
- During free-throws
- When the judges see fit
- During the timeouts
- When a ball goes out of bounds far away
- During overtime, when the official blows the whistle.
- **Note:** When final games are played, the clock will be stopped as the FIBA rules and regulations require.

3.5. Timeouts

- Each team will be granted two timeouts in the first half (periods 1 and 2) and three during the second half (periods 3 and 4). The unused timeouts may not be carried over to the next half or to the extra periods. During each extra period, the teams will be granted one time out for every extra period played.

3.6. Shot Clock

- The shot clock must be used during all the games; it will be managed by the fourth referee. At the schools and courts that don't have one, the referee using a megaphone will call the time every 5 seconds: 15, 10 and 5, until the shot clock expires.

3.7. Special Rule for Team Winning by 30 or More Points

- When a team is winning by 30 or more points, it must retreat and play zone defense. If a coach does not follow this rule, he/she will receive a verbal warning. If he/she continues to ignore this rule an unsportsmanlike technical foul will be given to the team. If these actions continue, the team will automatically lose the game and the coach will receive a one-game suspension. Inside the 3-point perimeter.
- The scoring clock will be turned off for the remaining time of the game. If a manual scoreboard is being used, this must be either taken out or be put in 0-0.

An **inspired** school

AASCA BASKETBALL GUIDELINES

AASCA Basketball Tournament
Pacific Division
October 18-22, 2023

3.8. Uniforms

- Each team must have two sets of uniforms, one with the school colors and another one (dark or light) properly numbered from 00 to 99, except number 69. The local teams may choose their uniform color. The team listed at the left side in the games schedule will be considered the local school; consequently the other team must use a different uniform color.
- **Sleeves, Socks and Leggings will be allowed according to the FIBA Rules.**

3.9. Point System

- Each team will receive 2 points for a win, 1 point for a loss, 0 points for a loss by forfeit.

3.10. Tiebreaker procedures:

- Teams will classify according to their win-loss records.
- If there are two teams in the classification with equal points, the result(s) of the game(s) between the two teams involved will be used to determine the placing.
- If there are more than two teams in the classification with equal points, a second classification will be established, taking into account only the results of the games between the involved teams.
- If at any stage of this procedure the number of teams with equal points is reduced to only two teams, the procedures above will be applied.
- If in the second classification there are still teams with equal points, the points scored average will be used to determine the placing, taking into account only the results of the games between the involved teams.
- If there are still more than two teams with the same points scored average, the placing will be determined using the points scored average from the results of all their games played in the group.
- If at any stage of this procedure the number of teams with equal points is reduced to a tie still involving more than two teams, the procedure above is repeated.
- Points scored average will always be calculated by division.
- Exception: If only three teams take part in a competition and the situation cannot be resolved following the steps outlined above (the points scored average by division is identical), then the total points scored will determine the placing.

AASCA BASKETBALL GUIDELINES

AASCA Basketball Tournament
Pacific Division
October 18-22, 2023

3.11. Team Fouls

- A team is in a team foul penalty situation when it has committed four team fouls in one period.
- All subsequent player personal fouls committed on a player not in the act of shooting shall be penalized by two free throws.

3.12. Statistics

- The FIBA statistics format will be used. The statistics Committee will record the daily game results on both divisions. A copy will be given or sent electronically to all the coaches and ADs on the evening and/or the next morning of each competition day.

MEDICAL ASSISTANCE

AASCA Basketball Tournament
Pacific Division
October 18-22, 2023

- All the locations where the events are held will have a school nurse, medical assistance, ambulance and/or first aid. In case an ambulance and/or medical assistance is required, each school will cover the cost of this service.
- If necessary, hospital emergency services will be contacted. Only site supervisors may call for ambulance assistance.
- All the hospital and medical bills will be paid by each school and not the host school.
- It is required that all AASCA events participants be covered by medical or accident insurance.
- An emergency fund is also recommended for traveling teams/groups.

Below you will find hospital contact information linked to their location
